EXPERIENCE

- **FLATX, Startup Hub IT Patna**

Dec 2025 - Jan 2026

Frontend Development & Software Management Intern

Govt. of Bihar

– Engineered responsive web interface components using Next.js and Tailwind CSS, optimizing render speed and cross-device usability.

– Managed software deployment release pipelines and coordinated project operations for state-funded startup platform modules.

• **Polytropic Services Pvt. Ltd.**

May 2025 - Jun 2025

Software Development Intern

Remote

– Developed and deployed a Student Course Tracker Dashboard using Java, HTML/CSS, and MySQL for dynamic academic status monitoring.

– Built RESTful API endpoints and dynamic SQL database queries to automate course enrollment and real-time status retrieval.
- PROJECTS
- **IT Helpdesk & Ticket Management System**

2025

Node.js, Express, React, MongoDB, JWT, REST APIs

GitHub

– Developed an end-to-end IT support ticket management workflow platform enabling automated issue lifecycle tracking and SLA monitoring.

– Built Secure Role-Based Access Control (RBAC) authentication using JWT for Admin, IT Support Technicians, and Employees.

– Designed RESTful APIs for ticket creation, prioritization, agent assignment, automated email status alerts, and resolution metrics.

• **TrendNest – Shopify E-commerce Store**

2025

Shopify, Liquid, CSS, Payment Gateway APIs

Website

– Customized Liquid templates, storefront CSS styling, and site navigation to deliver dynamic product pages and responsive layouts.

– Integrated multi-currency payment options, customer review widgets, and automated inventory sync workflows for end-to-end sales operations.
